COM3000

Premium Television. Unforgettable Atmosphere.

For Bars & Restaurants

SPORTS BARS • RESTAURANTS • CASINOS

EVERY SCREEN. AT YOUR COMMAND.

Put the right game on the right screen—with intuitive control that keeps your team focused on your guests.

A BETTER VIEWING EXPERIENCE STARTS HERE.

01 SELECT YOUR SCREEN

Choose the television or viewing area you want to manage.

02 CHOOSE YOUR PROGRAM

Find the game, live event, or entertainment your guests want to watch.

03 BRING IT TO THE SCREEN

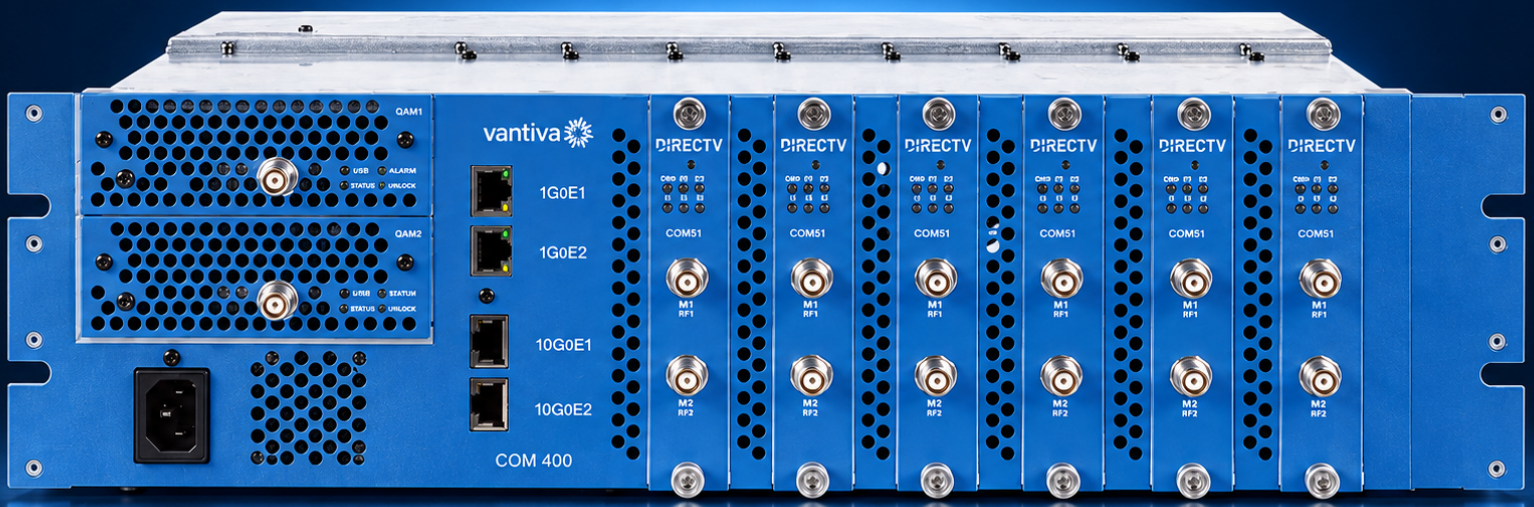

Update your selection through one convenient control interface.

ENGINEERED FOR BARS, RESTAURANTS & CASINOS

The Power Behind Every Screen.

From the dining room to the sports bar and casino lounge, COM3000 brings DIRECTV programming into a centralized television system built around your venue.

ONE SYSTEM. AT THE CENTER.

Bring the technology behind your screens together with a centralized COM3000 system built for professional television distribution.

FLEXIBLE DISTRIBUTION

Deliver programming over Ethernet or coaxial infrastructure, with a system design tailored to your bar, dining room, lounge, or casino.

CENTRALIZED MANAGEMENT

Configure and monitor your venue's system through a browser-based interface over a local network or a properly configured remote connection.

MORE SCREENS. MORE CONTROL.

Bring your bar, booths, and dining room together with centralized television distribution and convenient iPad control—planned around your venue.

Convenient control with MediaTune.

CONTROL FROM YOUR IPAD

Use MediaTune to direct sports, entertainment, or connected signage sources to individual screens or viewing zones.

KEEP FAVORITES CLOSE

Organize favorite sports channels for quick access and search the guide for the games your guests want to watch.

PLAN FOR GAME DAY

Use configured COM3000 scheduling to automatically tune sports programming based on selected titles, channels, days, and times.

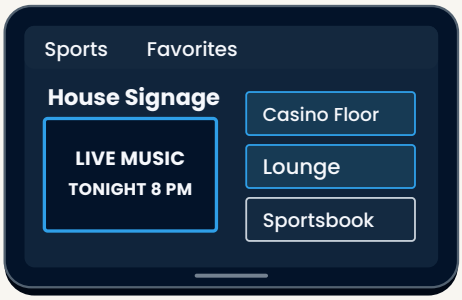

PUT YOUR MESSAGE ON SCREEN

Bring specials, menus, and event promotions into your television lineup through compatible HDMI input hardware.

Illustrative layout and interface. MediaTune licensing, compatible receiving equipment, and HDMI input hardware required. Scheduling and available functions depend on system configuration and subscribed programming.

THE RIGHT CONTENT. IN EVERY SPACE.

Choose what plays. Choose where it plays.

PUT EVERY SCREEN TO WORK.

COM3000 brings your TV lineup together. MediaTune puts screen-by-screen control on your iPad.

01 CONTROL FROM YOUR IPAD

Choose what plays on each screen or viewing zone with MediaTune.

02 FIND THE GAME FASTER

Keep favorite sports channels handy and find games in the guide.

03 SET YOUR GAME-DAY LINEUP

Prepare the sports lineup in advance with configured COM3000 scheduling.

04 PROMOTE WHAT'S NEXT

Add events and specials to the TV lineup through compatible HDMI and local-channel equipment.

Illustrative layout and interface. MediaTune licensing and compatible encoding, distribution, and receiving equipment required. Scheduling and features depend on system design and subscribed programming. Gaming and wagering systems are separate.

PREMIUM SYSTEM. FLEXIBLE FINANCING.

COM3000 + MediaTune is a premium commercial system—not a budget TV package. Your investment reflects the equipment, design, and installation your venue requires.

PAY OVER TIME.

Finance eligible project costs.

FINANCING TERM OPTIONS

12	24	36	48	60
MONTHS	MONTHS	MONTHS	MONTHS	MONTHS
For a shorter payment timeline.	Spread payments over two years.	A three-year plan for your project.	Extend payments over four years.	Spread the cost over five years.

Payment amounts depend on your project and approved financing terms.

YOUR SYSTEM INVESTMENT

Your project quote defines the equipment, system design, and installation required for your venue. Programming and MediaTune licensing are identified separately.

YOUR FINANCING OPTIONS

Compare the proposed monthly payment, total financing cost, and eligible project costs for each term. Select the option that fits your business after reviewing the complete quote.

Financing is subject to approval and final agreement. Term availability, rates, payments, and eligible project costs must be confirmed. Programming and licensing may be separate.

BRING YOUR VISION TO LIFE.

Bring your screens, sports lineup, and house messaging together with a COM3000 + MediaTune solution planned around your property.

YOUR SPACE. YOUR SCREENS. YOUR PRIORITIES.
